Ashesi University, Berekuso, Ghana

Ashesi University was founded in 2002 and is accredited by the Ghana National Accreditation Board to grant Bachelor of Science degrees in Business Administration, Computer Science, Management Information Systems, Computer Engineering, Electrical & Electronic Engineering and Mechanical Engineering. Ashesi University was initially affiliated to the University of Cape Coast (UCC) as its mentoring institution. Ashesi was granted a Presidential Charter in January 2018 and began conferring its own degrees, starting with the graduating class of 2018. The University is a member of the Association of African Universities.

Calendar & Units

Ashesi operates on the semester system with each semester being approximately 16 weeks in length with one week for examinations. During each semester, students take a maximum of five courses, meeting for three lecture hours and one hour of discussion or lab sessions (where necessary) per course each week. As such, credits earned for each course are equivalent to one semester unit.

Leadership Seminar Courses

There are four leadership seminar courses. The first three are worth a ½ semester unit. Leadership Seminar 4 is worth one (1) semester units or four (4 Credit hours). Each student is required to take all four Leadership Seminar courses before graduation. Prior to the 2007/08 academic year, the first three Leadership Seminars were graded on a Pass/Fail basis.

Graduation Requirements

Ashesi University currently awards Bachelor of Science degrees. Depending on their Mathematics Tracks, students are required to earn specific semester units (which include all core courses and major requirements) to qualify for graduation as indicated below:

Engineering Calculus Track Cohort: 33.5; Calculus Track Cohort: 33.5;

Pre-Calculus Track Cohort: 34.5; College Algebra Track Cohort: 35.5.

Transfer Courses

Transfer courses, when approved, are listed on the transcript with the appropriate unit value and are not calculated in the grade point average (GPA).

Cumulative Grade Point Average

Unless otherwise stated, the cumulative GPA includes grades from all courses completed at Ashesi. A cumulative GPA of 2.0 (C average) or higher is required for graduation.
